THMP Assistance by Category

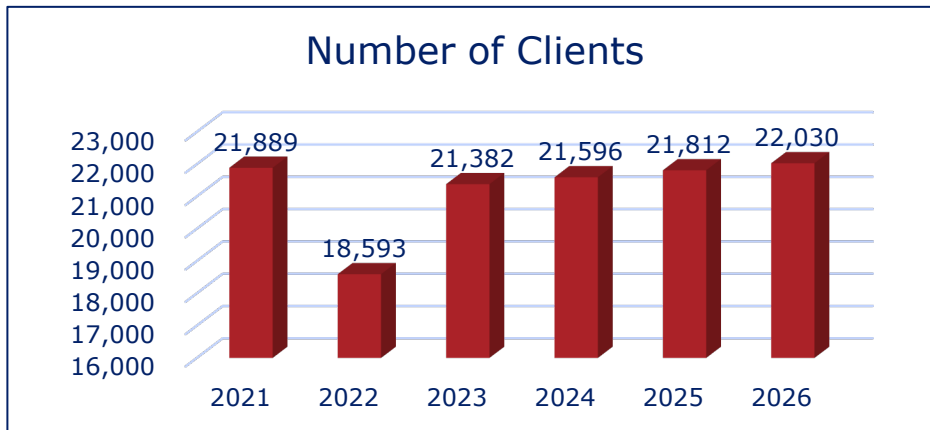

ADAP Projections

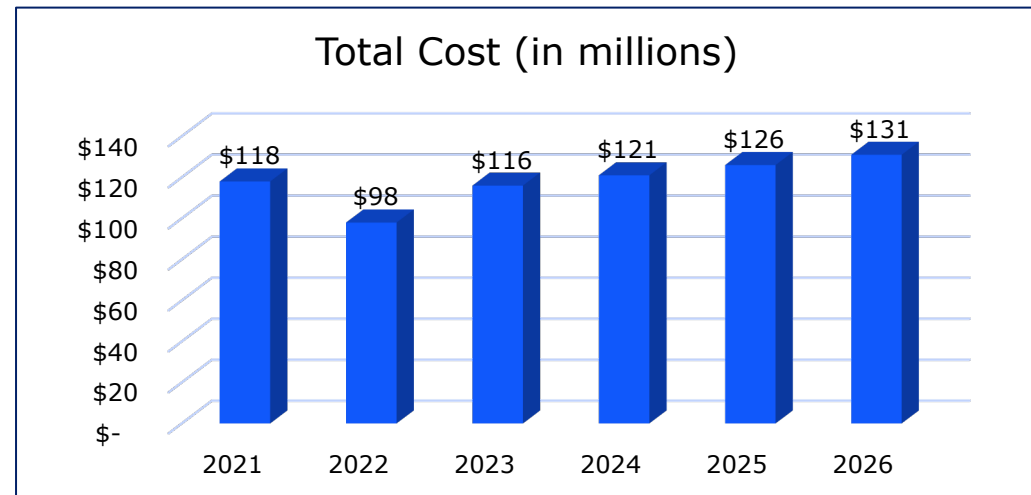

TEXAS

Health and Human Services

Texas Department of State
Health Services

We anticipate growth within the ADAP program being driven by the number of clients, but we are seeing a visible dip currently in 2022.

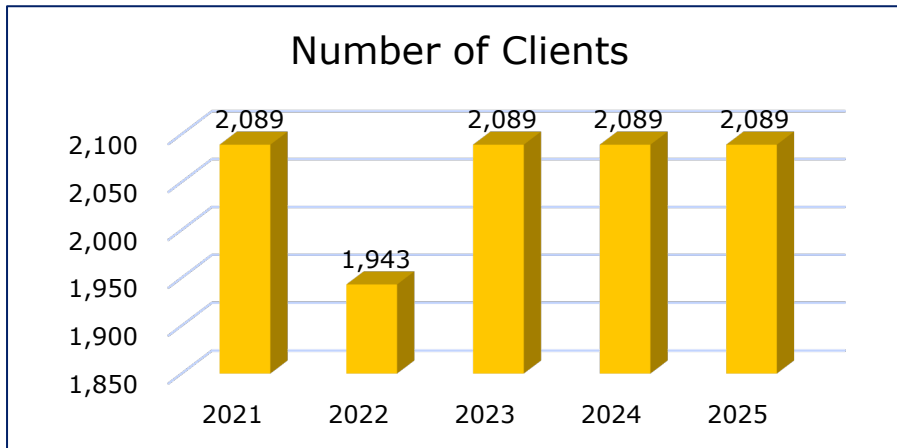

SPAP Projections

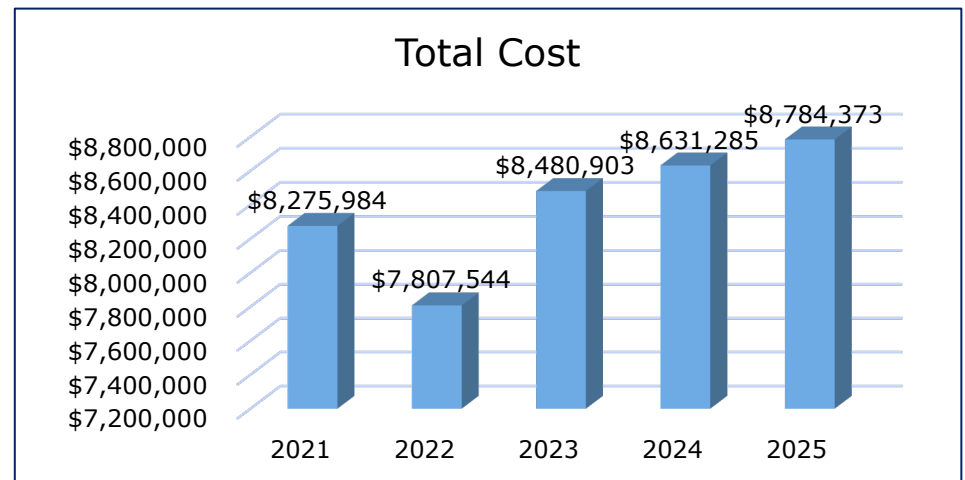

TEXAS
Health and Human Services

Texas Department of State
Health Services

We anticipate the SPAP enrollment to remain stable but costs to increase.

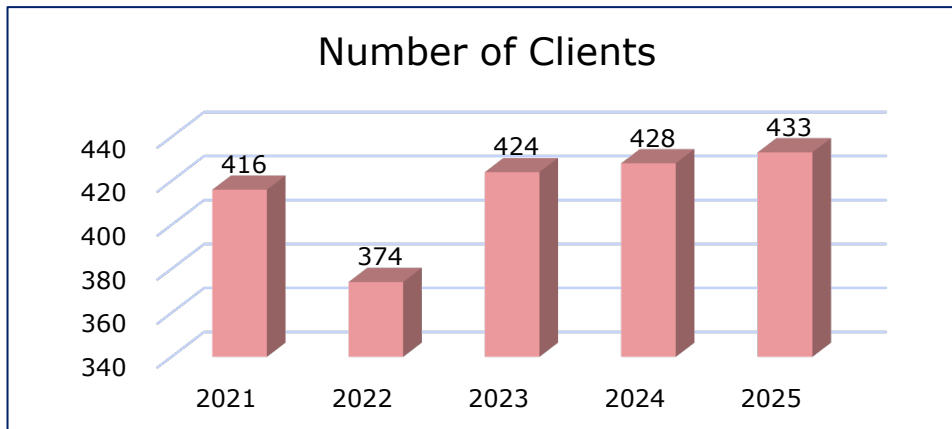

TIAP Projections

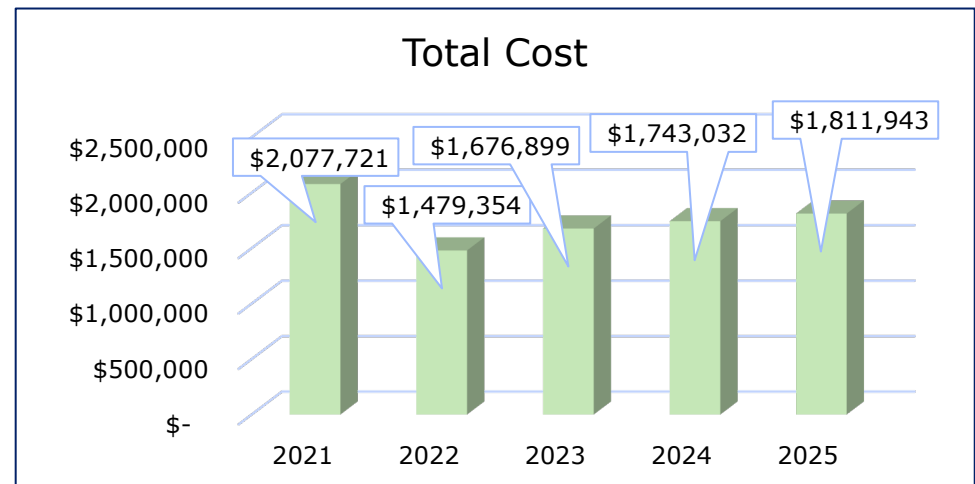

TEXAS

Health and Human Services

Texas Department of State
Health Services

We anticipate growth within the TIAP program being driven by the number of clients, but we are seeing a visible dip currently in 2022.
