

CANCER ALLIANCE OF TEXAS

How you can become a member!

In 2024, an estimated 147,910 Texans will be told they have cancer. According to the American Cancer Society, it is also estimated that 44,360 Texans will lose their lives to the disease this year.

Join cancer survivors, advocates, researchers, and medical and public health professionals working together to reduce the burden of cancer in Texas.

Become a member of the Cancer Alliance of Texas (CAT)

As a member of CAT, you will:

- Gain greater insight into the cancer challenges many Texans face.
- Learn about creative and innovative ways to address our state's cancer burden.
- Network with diverse individuals and cancer-related institutions and organizations.
- Partner with other members to implement the *Texas Cancer Plan*, a

statewide call to action for cancer research, prevention, and control.

- Increase your awareness of funding opportunities and cancer control resources.
- Receive a subscription to The CATalog, CAT's quarterly publication.
- Take part in informative meetings.

Are you ready to be a part of CAT?

Membership is open to any individual who commits and subscribes to CAT's mission:

To engage organizations, agencies, institutions, and individuals to work collaboratively to reduce the impact of cancer in Texas and promote the *Texas Cancer Plan*.
