Texas Statutes:

Health and Safety Code, Title 2. Health, Subchapter B. Powers and Duties of the Department

Sec. 12.0127. IMMIGRATION VISA WAIVERS FOR PHYSICIANS.

(a) The department, in accordance with 8 U.S.C. Section 1182(e), as amended, under exceptions provided by 8 U.S.C. Section 1184(l), as amended, may request waiver of the foreign country residence requirement for a qualified alien physician who agrees to practice medicine in a medically underserved area or health professional shortage area, as designated by the United States Department of Health and Human Services, that has a current shortage of physicians.

(b) The department may charge a fee to cover the costs incurred by the department in administering the visa waiver program established under this section.

Added by Acts 2003, 78th Leg., ch. 143, Sec. 1, eff. Sept. 1, 2003.

Texas DSHS Rules:

Texas Administrative Code

Title 25. Health Services

Part 1 – Department of State Health Services

Ch. 13 – Health Planning and Resource Development

Subchapter A – Recruitment of Physicians to Underserved Areas

§13.1 - §13.3

§13.1. Priorities for Waiver Recommendations.

(a) It is the intent of the Legislature that applications submitted under this program be prioritized by the Department of State Health Services (department) to the areas of greatest need and that the department consider relative specialty need as well, adhering to federal and state legislation (Health and Safety Code, §12.0127), therefore the Texas Conrad 30 Program will identify priorities for waiver recommendations for the coming year, and publish them on the Texas Conrad 30 website at <http://www.dshs.state.tx.us/chpr/j1info.shtm>, prior to May 1 of each year.

(b) The following criteria will be applied in prioritizing applications for waiver recommendations:

(1) Regular applications may be considered and approved before some or all flexible applications are considered;

(2) Some flexible applications may be approved based on considerations of the date the application is received by the department;

(3) Flexible applications may be considered only if there are less than 30 regular applications;

(4) The number of flexible applications approved will be limited to no more than the number allowed by federal or state law but may be less than the number allowed by federal law;

(5) The needs of medically underserved areas will always be of importance in establishing the department's priorities;

(6) The department will operate the program to conform to federal law as it may be amended.

§13.2. Application Fee.

The department shall collect a fee of \$2500 to \$5000 from each applicant who is granted a waiver of the two-year home residency requirement from the Bureau of Citizenship and Immigration Services. The Texas Conrad 30 Program has the option to assess the fee each year based on the cost of operating the program. The amount of the application fee will be identified on the Texas Conrad 30 Program website at <http://www.dshs.state.tx.us/chpr/j1info.shtm> by May 1 of each year. The fee shall be submitted to the department at the time of application. Part of the fees may be returned under the following circumstances:

(1) if the department recommends the waiver to the US Department of State, none of the application fee will be returned to the applicant;

(2) if the applicant withdraws the application before a recommendation is submitted by the department, 50% of the application fee will be returned to the applicant; or

(3) if at the time the application is received by the department, all 30 slots have been used for the fiscal year, 100% of the application fee will be returned to the applicant.

§13.3. Other Federal or State Requirements.

All waiver request applications must meet federal laws Title 8 United States Code §1184, and relevant provisions in Health and Safety Code, Chapter 12.

**Texas Conrad 30 J-1 Visa Waiver Program Policy Manual for
Fiscal Year 2013**

1) Purpose: The purpose of this Policy Manual is to describe and clarify policy as it relates to a favorable recommendation for J-1 physicians through this program. State law and Department of State Health Services rules allow for the program to set priorities for the program on an annual basis. The information in this Manual will be made available on the program’s web site by May 1st of each year.
