

# State of Texas Mold Licensing Exam Study Materials

**Test questions will be based on information covered in the following documents and/or websites:**

Texas Mold Assessment and Remediation Rules ([25 TAC §§295.301-339](#)). The rules may be downloaded from the Department of State Health Services website at [www.dshs.state.tx.us/mold](http://www.dshs.state.tx.us/mold), or you may request a printed copy by calling (800) 293-0753 or (512) 834-6787, then press “5”. You should concentrate on those sections that pertain specifically to the license category you are testing for, and those sections that are applicable for all license categories. Persons that may supervise technicians or workers should be familiar with sections regarding those categories as well.

“Mold Remediation in Schools and Commercial Buildings.” U.S. Environmental Protection Agency, March 2001. ([http://www.epa.gov/iaq/molds/mold\\_remediation.html](http://www.epa.gov/iaq/molds/mold_remediation.html))

“State of the Science on Mold and Human Health.” Testimony of Stephen C. Redd, M.D., Centers for Disease Control and Prevention, to U.S. Congress, July 2002. (<http://www.cdc.gov/nceh/airpollution/images/moldsci.pdf>)

“Adverse Human Health Effects Associated with Molds in the Indoor Environment.” American College of Occupational and Environmental Medicine. 2002. (<http://www.ocoem.org/guidelines.aspx?id=8500>)

“Damp Indoor Spaces and Health.” Institute of Medicine of the National Academies. 2004. (<http://books.nap.edu/catalog/11011.html>). (This site allows you to purchase the report and/or read the report page by page, but you cannot print out the whole document as a whole. Possible test questions regarding health effects of molds would be taken from information in the Executive Summary of the report.)
