COURSEWORK AND CLINICAL OBSERVATION/EXPERIENCE:

§741.62. Requirements for an Intern in Speech-Language Pathology License.

- (a) An applicant for the intern in speech-language pathology license shall meet the requirements set out in the Act and §741.61(a) - (c) of this title (relating to Requirements for a Speech-Language Pathology License) within 10 years of the date of application for the intern license.

§741.61. Requirements for a Speech-Language Pathology License.

- (a) An applicant for the speech-language pathology license shall meet the requirements set out in the Act and this section.
- (b) The graduate degree shall be completed at a college or university which has a program accredited by the American Speech-Language Hearing Association Council on Academic Accreditation and holds accreditation or candidacy status from a recognized regional accrediting agency.
- (1) Original or certified copies of transcripts shall verify the applicant completed the following:
- (A) at least 36 semester credit hours shall be in professional course work acceptable toward a graduate degree;
 - (B) at least 24 semester credit hours acceptable toward a graduate degree shall be earned in the area of speech-language pathology including normal development and use of speech, language, and hearing; prevention evaluation, habilitation, and rehabilitation of speech, language, and hearing disorders; and related fields that augment the work of clinical practitioners of speech-language pathology; and
 - (C) six semester credit hours shall be earned in the area of hearing disorders, hearing evaluation, and habilitative or rehabilitative procedures with individuals who have hearing impairment.
- (2) A maximum of six academic semester credit hours associated with clinical experience and a maximum of six academic semester credit hours associated with a thesis or dissertation may be counted toward the 36 hours but not in lieu of the requirements of paragraphs (1)(B) and (1)(C) of this subsection.
- (3) A quarter hour of academic credit shall be considered as two-thirds of a semester credit hour.
- (4) An applicant who possesses a master's degree with a major in audiology and is pursuing a license in speech-language pathology may apply if the board has an original transcript showing completion of a master's degree with a major in audiology on file and a letter from the program director or designee of the college or university stating that the individual completed enough hours to establish a graduate level major in speech-language pathology and would meet the academic and clinical experience requirements for a license as a speech-language pathologist.
- (5) An applicant who graduated from a college or university not accredited by the American Speech-Language Hearing Association Council on Academic Accreditation shall have the American Speech-Language-Hearing Association Clinical Certification Board evaluate the course work and clinical experience earned to determine if acceptable. The applicant shall bear all expenses incurred during the procedure.
- (c) An applicant shall complete at least 25 clock hours of supervised observation before completing the minimum of the following hours of supervised clinical experience, which may be referred to as clinical practicum, with individuals who present a variety of communication disorders within an educational institution or in one of its cooperating programs:
- (1) 275 clock hours if the master's degree was earned prior to November 10, 1993; or
 - (2) 350 clock hours if the master's degree was earned between November 10, 1993 and December 31, 2004; or
 - (3) 400 clock hours if the master's degree was earned on or after January 1, 2005.

GRADUATE DEGREE TO BE CONFERRED:

The Act provides that an applicant who successfully completed all academic and clinical requirements but who has not had the degree officially conferred may be licensed as an intern in order to begin the supervised professional experience. *NOTE: All grades must be final.*
