

Organizations Receiving Chapter 108 Data

In accordance with Health and Safety Code, Section 108.012(b), "the council (department) may charge a person requesting public use or provider quality data a fee for the data. The fees may reflect the quantity of information provided and the expense incurred by the council in collecting and providing the data and shall be set at a level that will raise revenue sufficient for the operation of the council (department's program). The council (department) may not charge a fee for providing public use data to another state agency. Chapter 108 may be viewed by clicking [here](#).

This is a list of organizations that have received data and the payment amounts for the number of calendar quarters of data.

Organization	City	State	Total AMT PAID	Total Qtrs Rec'vd

Notes:

1. The List above is sorted by State, City and Organization.
2. The List reflects the organizations that receive either Public Use Data Files (PUDF)(*either statewide or regional files. Regional files are no longer created*) or Research Data Files (RDF).
3. Differences in amounts paid may be noted between organizations due the following:
 - a. State agencies and state universities, are not charged for Public Use Data Files as required by Health and Safety Code §108.012(b). State agencies and state universities, are charged for research data files by the data elements requested and approved by the Institutional Review Board (IRB) and processing fees.
 - b. Research data files are charged by the data element.
 - c. The charges for public use data files have changed throughout the years.
