Introduction

Why Encourage Breastfeeding?	1
Texas Position Statement	1
American Academy of Pediatrics	2
American College of Obstetricians and Gynecologists	3
American Academy of Family Physicians	4

Prenatal and Perinatal Periods

Lactation Assessment During Prenatal Period	7
First Prenatal Visit	7
As Pregnancy Progresses	8
Lactation Success During Perinatal Period	10
Preterm Delivery	10
Term Delivery	11
Observing a Feeding	11
Prior to Discharge	11
Expected Growth of Newborns	12
Diagnosis Codes Commonly Used in Lactation Counseling (Reimbursement Information)	14

Lactation Fundamentals

Growth and Development of Breastfed Infants	19
Expected Growth in Best Circumstances	19
Faltering Early Growth	19
Management of Early Growth Faltering	19
Normal Growth	20
Use of National Center for Health Statistics Growth Charts for Breastfed Infants	20
Normal, Slower Growth	21

Contents

Growth Faltering and Failure to Thrive	22
Hunger Cues	22
Early Hunger Cues	22
Late Hunger Cues	23
Positioning	24
Cradle Hold	24
Cross-Cradle Hold	25
Football Hold	26
Side-Lying Hold	27
Other Holds	27
Latch-On	28
Latch-On Sequence	28
Signs of Bad Latch-On	31
Signs of Good Latch-On	31
Probable Bad Latch-On	31

Management Issues

Nipple Care	33
Sore Nipples	33
“Sore” Nipples May Be Caused by	33
Changes in Nipple Sensitivity	33
Potential Causes of Nipple Trauma	33
Signs of Nipple Trauma	34
Consequences of Nipple Trauma	34
Signs of Infection	34
Treatment of Nipple Trauma	35
Positioning and Latch-On Checkpoints	36
Feeding Techniques	37
Comfort Measures	37
Leaking	38
Considerations	38
Treatment	38

Bloody Nipple Discharge	38
Considerations	38
Evaluation	39
Breast Care	40
Engorgement	40
Signs and Symptoms	40
Considerations	40
Treatment	41
Plugged Ducts	42
Causes	42
Signs and Symptoms	43
Treatment	43
Mastitis	44
Causes	44
Signs and Symptoms	44
Treatment	45
Recurrent Mastitis	46
Causes	46
Treatment	46
Breast Abscesses	47
Predisposing Factors	47
Treatment	47
Breast Masses	49
Diagnosis	49
Treatment	50
Breast Surgery	50
General Considerations	50
Augmentation	50
Reduction	50
Candidiasis (Thrush)	52
Predisposing Factors	52
Signs and Symptoms	52
Treatment	53

Contents

Infant Care	55
Growth Spurts	55
Definition	55
Management	55
Evening Fussiness: Colic	55
When Babies Cry	55
Evidence of Colic	56
If Nursing Doesn't Help	56
Mother's Needs	56
Normal Night Waking	57
Milk Supply	58
Oversupply Syndrome and Strong Milk-Ejection Reflex	58
Definition	58
Signs and Symptoms in Baby	58
Signs and Symptoms in Mother	58
Treatment	59
Low Milk Supply	59
Considerations	59
Treatment	60
Supplemental Nursing Systems	60
Relactation and Induced Lactation	61
Induced Lactation	61
Partial Induced Lactation	61
Expectations	61
Discussing Mother's Goals and Obligations	61
Setting Realistic Goals	62
Mothers' Feelings	62
Babies' Feelings	62
How-To Tips	63

Infant Medical Conditions

Protocols for Infant Medical Conditions	65
Hypoglycemia	65
Definition	65
Academy of Breastfeeding Medicine Guidelines	65
Causes	66
Risk Factors	66
Signs and Symptoms	66
Monitoring	67
Treatment	67
Jaundice	68
Physiologic Jaundice	68
Breastmilk Jaundice	69
Prematurity	70
Considerations	70
Treatment	71
Use of Donor Human Milk	71
Infant of a Diabetic Mother	72
Considerations	72
Treatment	72
Intrauterine Growth Retardation	73
Considerations	73
Treatment	73
Down Syndrome (Trisomy 21)	73
Considerations	73
Effects on Nursing	74
Cleft Lip and Palate	74
Considerations	74
Requirements	75

Contents

Neurological Problems	75
Considerations	75
Treatment	75
Diarrhea	76
Considerations	76
Treatment	76
Rehydration Fluids	77
Upper-Respiratory-Tract Infections	77
Inborn Errors of Metabolism	77
Phenylketonuria	77
Galactosemia	78
Cystic Fibrosis and Meconium Ileus	78
Multiple Births	78
Failure to Thrive vs. Slow Weight Gain	79
Considerations	79
Infant	79
Mother	80

Contraindications and Medications

Contraindications to Breastfeeding	83
Medications and Breastfeeding	84
General Rules	84
Choosing Medications	84
Instructions to Mothers	85
Medications Definitely Contraindicated	
During Lactation	86
Information Sources	86
Publications	86
Non-Toll-Free Hot Line	87
Online	87
Birth Control	88
Lactation Amenorrhea Method	88

Complementary Family-Planning Methods	89
Hormonal Methods and Milk Supply	90

Lifestyle and Nutrition

Breastfeeding Misconceptions: Truth vs. Myth	91
Pain	91
Food Reactions	92
Size of Breasts	92
Shape of Breasts	93
When to Wean	93
Mother's Milk Intake	93
Anger or Anxiety	94
Breastfeeding Protocol for Women Working	
or Attending School	95
During Pregnancy	95
Learning Strategies for Mothers	95
Tips for Success	96
Facilitating Pumping	97
If Milk Supply Decreases	98
Handling and Storing Human Milk	99
Milk Storage	99
Storage Guidelines	100
Storage Considerations	100
Thawing Milk	100
Preparing Stored Milk for Feeding	101
Long-Term Nursing	102
Teething	102
Nursing Strikes	102
Characteristics	102
Possible Causes	103
Treatment	103
Nursing During Pregnancy	103

Contents

Tandem Nursing	105
Definition	105
Considerations	105
Introduction of Solid Foods	
(Weaning Management)	106
Signs of Developmental Readiness	106
Abrupt Weaning	106
Planned Weaning	107
Natural Weaning	107
Nutrition During Lactation	108
Nutritional Needs and Body Fat	108
Nutritional Guidelines	109
Considerations	109
If Diet Does Not Meet Nutrient Needs	109
Daily Serving Recommendations	110
Weight Loss	111
Considerations	111
Recommendations	111
Exercise	112
Considerations	112
Advice to Mothers	112
Drug and Alcohol Use	113
Alcohol	113
Smoking	113
Nicotine	113
Counseling	114
Clove Cigarettes	114
Marijuana	114
Caffeine	115

Support for Breastfeeding

Need	117
Statistics	118
Supportive Organizations	119
Breastfeeding-Friendly Environments	120
Physician's Office	120
Getting Certified as a Texas Ten Step Hospital	121
Texas Ten Step Model Hospital Policy	122
Step One: Fundamentals	122
Step Two: Training	123
Step Three: Encouraging Breastfeeding	123
Step Four: Early Bonding	124
Step Five: Breastfeeding Assistance	124
Step Six: Caution with ABM	125
Step Seven: Keeping Mother and Baby Together	125
Step Eight: Breastfeeding as Priority	126
Step Nine: Supporting Breastfeeding	126
Step Ten: Follow-Up Support	127
