Ebola Viral Disease Case Investigation Form – United States

State/Local ID: __________________

CDC ID: _______________________

Instructions: Please complete the following form for each confirmed Ebola viral disease case. Use the “Notes” portion of each section to record additional information regarding potential exposures or contacts or other information that may aid the investigation that is not already captured on the form. If the case was listed as a contact, please use information gathered from the Ebola Virus Disease Contact Tracing Form or other applicable questionnaires to populate this form PRIOR to the case patient interview.
## I. Interview Information

**Date of form completed:** MM / DD / YYYY          **Date case identified:** MM / DD / YYYY

**Interviewer Information**

- Interviewer Name (Last, First):
- State/Local Health Department (HD):
- Business Address:
- City: ________________________   State: ________   Zip: __________County: ___________________
- Phone number: ________________________   Email address: _______________________________

**How was the case identified? Check all that apply.**

- [ ] DHS Airport Risk Assessment
  - Date of Airport Assessment: MM / DD / YYYY   Airport Code: _____________________________
- [ ] Active Monitoring via State/ Local HD
  - Name of HD: ________________________________
  - If yes, why?  [ ] Return from an affected country  [ ] Contact with a suspect/known case of Ebola
- [ ] Emergency Room/Hospital/Outpatient Clinic
  - Facility Name: ________________________________
- [ ] Other   Specify: ____________________________________________

**Informant Information**

Who is providing information for this form?

- [ ] Patient
- [ ] Other   Name (Last, First): ________________________   Relationship to patient: ________________
  - Phone Number: ________________________   E-mail address: _______________________________
  - Reason patient unable to provide information:
    - [ ] No access because of isolation  [ ] Patient deceased  [ ] Patient too ill to be interviewed
    - [ ] Other: ____________________________________________

Was this form administered via a translator?  [ ] Yes  [ ] No

- If yes, in which language was this form administered? ________________________________
- Translator Name (Last, First): ________________________________
  - Phone Number: ________________________   E-mail address: _______________________________

**Notes:**
## II. Ebola Patient Demographic and Contact Information

**Patient Name (Last, First):** ________________________________  
**Sex:** □ Male  □ Female

**Date of birth:** MM / DD / YYYY  
**Age:** __________

**Citizenship:** ________________________________

**Country of Residence:**  
□ United States of America  
□ Other (specify): ________________________________

### Contact Information (for country of residence as indicated above)

**U.S. Residence**

Driver’s License Number: ________________________________

Home Street Address: __________________________________________________________ Apt. # ________

City: ________________________ County: _________________ State: ________ Zip: _____________

Phone number: ________________________ E-mail address: ________________________________

**Non-U.S. Residence**

Home Street Address: __________________________________ Apt. # ______________

City/Village: ________________________ State/County/District/Prefecture: ________________________

### Occupational Information

**Occupation:** ________________________________  
**Name of Business/Organization:** ________________________________

**Supervisor Name (Last, First):** ________________________________

**Supervisor Phone Number:** ________________________  
**E-mail address:** ________________________________

**Business Address:** __________________________________________ Suite. # ________

City: ________________________ County: _________________ State: ________ Zip: _______________

**Notes:**
III. Hospitalization and Laboratory Information

Patient Hospitalization

At the time of this interview, is the patient hospitalized?  □ Yes  □ No

If yes, date of admission:  MM / DD / YYYY

Patient ID: _____________________________

Facility Name: _________________________ City: __________________ State: _________

Physician Name (Last, First): ______________________ Contact Information: _____________________

At the time of this interview, is the patient being treated under isolation precautions?  □ Yes  □ No

If yes, date of isolation:  MM / DD / YYYY

Did the patient previously seek health care for this illness?  □ Yes  □ No  □ Unknown

*If prior hospitalization information is unknown, Section IV. Medical History (page 5), allows for the collection of this information.*

<table>
<thead>
<tr>
<th>Date(s) of visit</th>
<th>Facility Name</th>
<th>City</th>
<th>State</th>
<th>Was the patient isolated?</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>

</tr>
</tbody>
</table>

Do you have any known medical conditions? □ Yes □ No

If yes, please describe: _________________________________________________________________
___________________________________________________________________________________
___________________________________________________________________________________
___________________________________________________________________________________

If the patient is female. Are you pregnant? □ Yes □ No □ Unknown

Do you take any medications for your medical conditions? □ Yes □ No

If yes, please describe: _________________________________________________________________
___________________________________________________________________________________
___________________________________________________________________________________
___________________________________________________________________________________

V. Symptom Onset Information

When did you first begin to feel any symptoms, including fatigue or generally not feeling well?

Date of onset: MM / DD / YYYY Refer to the patient’s answer as [Date of Onset]

Please see the Symptom Onset Table on Page 6. Use the information collected in the following question to populate this table.

Please describe the course of your illness from [Date of Onset] until the day you were admitted to the hospital:
___________________________________________________________________________________
___________________________________________________________________________________
___________________________________________________________________________________
___________________________________________________________________________________
Please describe the course of your illness from [Date of Onset] until the day you were admitted to the hospital. Continued from Page 5.

</tbody>
</table>

*Example: Recent headache would not be unusual for a patient with chronic migraines
### VI. Activity Log from Date of Onset

*Use the following guiding questions to describe the patient’s whereabouts and activities for each day between date of onset and hospitalization:* What did you do on the day that you first felt any symptoms? Did you go to work/school? How did you get there? Who did you interact with? Did you engage in any physical activity or group sports? Did you attend any community or organizational meetings? Did you eat out at any restaurants? Did you partake in any social activities?

Please use the above notes to begin populating the next two pages: (1) Log of Activities from Date of Onset to Hospitalization and (2) List of Community Contacts Since Date of Onset.

*Guidance for Interviewer on Defining Contacts*

<table>
<thead>
<tr>
<th>Type of Contact</th>
<th>Description</th>
<th>Examples</th>
</tr>
</thead>
<tbody>
<tr>
<td>Casual Contact</td>
<td>Brief interactions with a symptomatic suspect/known case of Ebola.</td>
<td>Walking by the case patient; being in the same room for a very short period of time.</td>
</tr>
<tr>
<td>Close Contact</td>
<td>Within approximately 3 feet of a symptomatic suspect/known case of Ebola for a prolonged period of time (at least one hour) without wearing appropriate Personal Protective Equipment (PPE).</td>
<td>Riding in a vehicle with the case patient for more than one hour; Sitting next to the case patient during a three-hour business meeting.</td>
</tr>
<tr>
<td>Direct Contact</td>
<td>Directly touching a symptomatic suspect/known case of Ebola OR the blood or body fluids of a symptomatic suspect/known case of Ebola.</td>
<td>Shaking hands; Giving a hug.</td>
</tr>
</tbody>
</table>

Please ensure that both domestic and international contacts are listed.

Notes:
VIII. Domestic Epidemiological Risk Factors and Exposures  In the three weeks before becoming ill, did you come in contact with a suspect/known case of Ebola OR the blood or body fluids of a suspect/known case of Ebola in the United States?  □ Yes (Complete this section)  □ No (Skip to Page 16, Section IX)

1. In the three weeks before becoming ill, did you come in contact with a suspect/known case of Ebola OR the blood or body fluids of a suspect/known case of Ebola outside of a health care setting?
   □ Yes (Complete Part A)  □ No

2. Do you work in a health care setting and, in the three weeks before becoming ill, come in contact with a suspect/known case of Ebola OR the blood or body fluids of a suspect/known case of Ebola through your work?  □ Yes  □ No

   If yes, which of the following best describes your occupation?
   □ Health Care Worker  (Complete Part B)  □ Laboratory Worker  (Complete Part C)
   □ Environmental Decontamination/Cleaning Staff  (Complete Part D)

A. Domestic Community Contact with a Suspect/Known Case of Ebola

1. Please provide the name of the suspect/known Ebola case with whom you had contact.
   (Last, First): ____________________________________________
   Please list each date of contact and provide a description:____________________________________
   __________________________________________________________________________
   __________________________________________________________________________
   __________________________________________________________________________
   __________________________________________________________________________

2. Did you have any casual contact with a suspect/known case of Ebola (brief interaction, such as walking by him/her or being in the same room for a very short period of time) in which you did not directly touch him or her?  □ Yes  □ No  □ Unknown
   List each date of contact: __________________________________

3. Did you have contact with blood or body fluids from a suspect/known case of Ebola while he/she was ill (including contaminated objects or surfaces such as bedding or clothing)?
   □ Yes  □ No  □ Unknown
   If yes, list each date of contact: __________________________________________
   If yes, what body fluids were you in contact with? Check all that apply.  □ Blood  □ Feces  □ Vomit
   □ Urine  □ Sweat  □ Tears  □ Respiratory secretions (e.g. sputum, nasal mucus)  □ Saliva
   □ Semen or vaginal fluids  □ Other: ____________________________________________________
4. Were you within approximately 3 feet of a suspect/known case of Ebola or within his/her room or care area for a prolonged period of time (at least one hour) while he/she is ill? □ Yes □ No
   If yes, list each date of contact: __________________________________________________________

5. Did you share a bathroom or use the same tub or toilet as a known/suspect case of Ebola while he/she was ill? □ Yes □ No □ Unknown
   If yes, list each date of contact: __________________________________________________________

6. Did you perform any caregiving activities or household assistance for a suspect/known case of Ebola (helping to bathe or feed the case; washing clothes or dishes)? □ Yes □ No □ Unknown
   If yes, list each date of contact: __________________________________________________________

7. Did you share transport with a suspect/known case of Ebola (car, bus, plane, taxi, etc.)? □ Yes □ No □ Unknown
   If yes, please provide for all shared transport: Date of Travel: MM / DD / YYYY
   Name of airline and flight number: _______________________________________________________
   Origin: ___________________________    Destination: ______________________________________
   Transit Points: _______________________________________________________________________

Notes:

B. Domestic Health Care Worker Exposure

1. Specific healthcare-associated job: □ Doctor □ Nurse □ Clinical Assistant/Technician □ Volunteer □ Administrative Position □ Other: ____________________________________________

2. Please provide the name of the suspect/known Ebola case with whom you had contact.
   (Last, First): ____________________________
   Please list each date of contact and provide a description:_____________________________________________
   _______________________________________________________________________________________
   _______________________________________________________________________________________
   _______________________________________________________________________________________

3. Did you have any casual contact with a suspect/known case of Ebola (brief interaction, such as walking by him/her or being in the same room for a very short period of time) in which you did not directly touch him or her? □ Yes □ No □ Unknown
   If yes, list each date of contact: __________________________________________________________
4. Did you have contact with blood or body fluids from a suspect/known case of Ebola while he/she was ill (including contaminated objects or surfaces such as bedding or clothing), including while you were wearing PPE?  ☐ Yes ☐ No ☐ Unknown

If yes, list each date of contact: ___________________________________________________________

If yes, what body fluids were you in contact with? Check all that apply. ☐ Blood ☐ Feces ☐ Vomit
☐ Urine ☐ Sweat ☐ Tears ☐ Respiratory secretions (e.g. sputum, nasal mucus)
☐ Semen or vaginal fluids ☐ Other: ____________________________________________________

If yes, what PPE was worn on these occasions? Check all that apply. ☐ None ☐ Gown (impermeable)
☐ Facemask ☐ N95 or Other Respirator ☐ Eye Protection (goggles or face shield) ☐ Body Suit
☐ Gloves ☐ Other: ____________________________________________________________________

5. Were you within approximately 3 feet of a suspect/known case of Ebola or within his/her room or care area for a prolonged period of time (at least one hour)? ☐ Yes ☐ No ☐ Unknown

If yes, list each date of contact: __________________________________________________________

If yes, what PPE was worn on these occasions? Check all that apply. ☐ None ☐ Gown (impermeable)
☐ Facemask ☐ N95 or Other Respirator ☐ Eye Protection (goggles or face shield) ☐ Body Suit
☐ Gloves ☐ Other: ____________________________________________________________________

6. Did you have any direct contact with a suspect/known case of Ebola (e.g. shaking hands) no matter how brief, including while you were wearing PPE? ☐ Yes ☐ No ☐ Unknown

If yes, list each date of contact: __________________________________________________________

If yes, what PPE was worn on these occasions? Check all that apply. ☐ None ☐ Gown (impermeable)
☐ Facemask ☐ N95 or Other Respirator ☐ Eye Protection (goggles or face shield) ☐ Body Suit
☐ Gloves ☐ Other: ____________________________________________________________________

Please provide additional information, particularly on any possible blood/body fluid exposure:
C. Domestic Laboratory Worker Exposure

1. Please list all dates of blood/body fluid exposure: ________________________________

2. What body fluids were you in contact with? Check all that apply. □ Blood □ Urine
   □ Other: ____________________________________________

3. What PPE was worn on these occasions? Check all that apply. □ None □ Gown (impermeable)
   □ Facemask □ N95 or Other Respirator □ Eye Protection (goggles or face shield) □ Body Suit
   □ Gloves □ Other: ______________________________________

Please provide additional information, particularly on any possible blood/body fluid exposure:

D. Domestic Environmental Exposure

1. Please list all dates of blood/body fluid exposure: ________________________________

2. Which aspects of the patient care environment did you clean or decontaminate? Check all that apply.
   □ General room or area (including floors, walls, furniture)
   □ Linens (including patient clothing, sheets, pillows, towels)
   □ Patient care equipment (including bedside commode, IV or urinary catheter tubing, intubation equipment)
   □ Other (specify): ______________________________________________

3. What body fluids were you in contact with? Check all that apply. □ Blood □ Feces □ Vomit
   □ Urine □ Sweat □ Tears □ Respiratory secretions (e.g. sputum, nasal mucus) □ Saliva
   □ Semen or vaginal fluids □ Other: ________________________________

4. What PPE was worn on these occasions? Check all that apply. □ None □ Gown (impermeable)
   □ Facemask □ N95 or Other Respirator □ Eye Protection (goggles or face shield) □ Body Suit
   □ Gloves □ Other: ____________________________________________

Please provide additional information, particularly on any possible blood/body fluid exposure:
### IX. International Epidemiological Risk Factors and Exposures

In the three weeks before becoming ill, did you travel to an Ebola-affected country?  □ Yes (Complete this section)  □ No (Skip to Section X)

<table>
<thead>
<tr>
<th>A. International Travel History</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Which countries did you travel to outside of the United States in the 3 weeks before becoming ill?</td>
</tr>

</tr>
<tr>
<td>7. While in [Ebola-affected country], did you provide health care for a suspect/known case of Ebola?  □ Yes (Complete Part C)  □ No</td>
</tr>
<tr>
<td>8. While in [Ebola-affected country], did you process blood/body fluids of a suspect/known case of Ebola in a laboratory setting?  □ Yes (Complete Part D)  □ No</td>
</tr>
<tr>
<td>9. While in [Ebola-affected country], did you have direct contact (hunt, touch, eat) with animals or uncooked meat before becoming ill?  □ Yes (Complete Part E)  □ No</td>
</tr>
</tbody>
</table>

**Notes:**
B. International Contact with a Suspect/Known Case of Ebola

1. Name of suspect/known case of Ebola (Last, First): ___________________ Relationship: ___________________
   Please list each date of contact: ___________________________________________________________

2. Did you have any casual contact with a suspect/known case of Ebola (brief interaction, such as walking by
   him/her or being in the same room for a very short period of time) in which you did not directly touch him or
   her?  
   Yes  ☐ No  ☐ Unknown

3. Did you have contact with blood or body fluids from a suspect/known case of Ebola while he/she was ill
   (including contaminated objects or surfaces such as bedding or clothing)?  
   Yes  ☐ No  ☐ Unknown
   If yes, list each date of contact: __________________________________________________________

4. Were you within approximately 3 feet of a suspect/known case of Ebola or within his/her room or care area
   for a prolonged period of time (at least one hour)?  
   Yes  ☐ No  ☐ Unknown
   If yes, list each date of contact: __________________________________________________________

5. Did you have any direct contact with a suspect/known case of Ebola (e.g. shaking hands) no matter how
   brief?  
   Yes ☐ No ☐ Unknown
   If yes, list each date of contact: __________________________________________________________

6. Did you share a bathroom or use the same tub or toilet as a known/suspect case of Ebola while he/she was
   ill?  
   Yes  ☐ No  ☐ Unknown
   If yes, list each date of contact: __________________________________________________________

7. Did you perform any caregiving activities or household assistance for a suspect/known case of Ebola
   (helping to bathe or feed the case; washing clothes or dishes)?  
   Yes  ☐ No  ☐ Unknown
   If yes, list each date of contact: __________________________________________________________

8. Did you directly handle dead bodies in [Ebola-affected country]? This might include participating in funeral
   or burial rites or any other activities that involved handling dead bodies.  
   Yes  ☐ No  ☐ Unknown
   If yes, please fill out the following table:

<table>
<thead>
<tr>
<th>Name of Deceased</th>
<th>Relation to Case</th>
<th>Dates of Funeral Attendance</th>
<th>Location (City, State)</th>
</tr>
</thead>
</table>

9. Did you share transport with a suspect/known case of Ebola (car, bus, plane, taxi, etc.)?  
   Yes  ☐ No  ☐ Unknown
   If yes, please provide for all shared transport: Date of Travel: MM / DD / YYYY
     Name of airline and flight number: _______________________________________________________
     Origin: ___________________________    Destination: ___________________________
10. Did you ride in a vehicle that may have been used to transport a suspect/known case of Ebola?  
☐ Yes  ☐ No  ☐ Unknown

Notes:

---

### C. International Health Care Worker Exposure

1. Specific healthcare-associated job:  ☐ Doctor  ☐ Nurse  ☐ Clinical Assistant/Technician  ☐ Cleaning Staff  
   ☐ Administrative Position  ☐ Volunteer  ☐ Other: _____________________________________________

2. Were you associated with any humanitarian organizations/agencies in the country?  ☐ Yes  ☐ No  
   Name of organization: _________________________________________________________________
   Healthcare Facility Name: _______________________________________________________________
   Street Address: _______________________________________________________________________
   Village/City: ______________________   Prefecture/District/County: _____________________________

3. Please describe your clinical duties:  _______________________________________________________
   ___________________________________________________________________________________

4. What kind of PPE did you use? Check all that apply.  ☐ None  ☐ Gown (impermeable)  ☐ Facemask  
   ☐ N95 or Other Respirator  ☐ Eye Protection (goggles or face shield)  ☐ Body Suit  ☐ Gloves  
   ☐ Other: ___________________________________________________________________________
