Preventable Hospitalizations in Texas 2001

TEXAS HEALTH CARE INFORMATION COUNCIL

The Texas Health Care Information Council (THCIC), a state agency created by the Texas Legislature in 1995, gathers information from hospitals and health maintenance organizations and publishes reports on the quality and effectiveness of health care and access to health care for all citizens of this state. This is the initial publication of Preventable Hospitalizations in Texas by the Texas Health Care Information Council, Austin, TX 78701.
