3. Review and, as needed, discuss and take possible action concerning amendment and/or approval of the minutes of the February 22, 2019 meeting.

Mr. Campbell made a motion to approve the minutes. Dr. Johnson seconded the motion and the minutes were unanimously approved.

4. Committee Reports and Recommendations

A. Industrial, Nuclear Power, Uranium and Waste Committee

Mr. Lucas discussed the committee meeting. Dr. Metter, Mr. Krieger, Ms. Shorey, and Mr. Campbell volunteered to form a working group to review the DSHS radioactive material fee license structure. Dr. Emery suggested to compare DSHS fees to NRC licensing fees.

The Hanford waste site in Washington State is looking at possibly in a couple of years solidifying their tank waste and sending to the federal side of WCS.

B. Medical Committee

- i.* Dr. Metter discussed the committee meeting. The Committee recommends to the board to use an IAEA infographic document on the TRAB webpage as public education for patient exposure during medical procedures. This document uses the international measurement of sievert units (SI) and DSHS will search for a nationally recognized conversion chart. Dr. Metter made a motion to approve the concept of amending the TRAB advisory statement for a "Better Understanding of Radiation" and Dr. Emery seconded the motion and was unanimously approved.
- ii.* The Committee recommended to ask CRCPD to develop a subcommittee to review potential eye dose limit reduction (15 rems to 2 rem) and provide a guidance document. Dr. Emery offered to compile a public reference list to be reviewed/proposed for information on radiation effects to the eye and methods for dose reduction.
- iii.* The Medical Committee agreed that no changes are needed in the DSHS unannounced inspection policy.
- iv.* DSHS and MITA are working together on a guidance document of the equipment performance evaluation criteria to clarify the responsibilities of the registrant, installer and radiation safety officer (RSO). Dr. Metter thanked Mr. Hei, Mr. Phillips, Ms. Grosholz and Dr.

Page for attending the Committee meeting and assistance of this topic.

C. Topic Research Committee

Dr. Emery discussed the committee meeting. The committee will continue to monitor the various waste streams on the federal side of WCS.
