

RAILROAD COMMISSION OF TEXAS

TEXAS RADIATION ADVISORY BOARD

Program Report for the Railroad Commission of Texas

February 23, 2018

The Railroad Commission of Texas (RRC) staff continues to work with the Texas Department of State Health Services (DSHS) and the Texas Commission on Environmental Quality (TCEQ) relating to jurisdiction, legislation, general licenses, permits and exemptions for the disposal and related handling of Naturally Occurring Radioactive Material (NORM) and Technologically Enhanced Naturally Occurring Radioactive Material (TENORM) on a case by case basis.

Personnel Change:

Tiffany Humberson will now be representing the RRC to the TRAB.

Grant Chambless is returning to the Private Sector.
