Name: _____ Phone: _____

*This summary form is to be completed by each **nonprofit** hospital. Hospitals in a system must report on an individual hospital basis. Public hospitals, for-profit hospitals participating in the Medicaid disproportionate share hospital program and exempt hospitals are not required to complete this form. This form is only available in PDF format at DSHS web site: www.dshs.texas.gov/chs/hosp under 2017 Annual Statement of Community Benefits Standard.

**The information in the manual will be made available for public use. Please report most current information on the charity care policy and community benefits provided by the hospital.

*** The list is also available on DSHS web site: www.dshs.texas.gov/chs/hosp/.

I. Charity Care Policy:

1. Include your hospital’s Charity Care Mission statement in the space below.

The goal is to accomplish the mission of Ascension Health in provision of care and services. Providence Health Center (PHC) serves the community through a Christian philosophy which values the sanctity of human life, serves others with Christian faith, and shares in the healing ministry of the whole person. Services are designed to respond community needs and expectations and assures that patients with comparable health conditions receive the same level of care regardless of gender, race, religion, age, disability, method of payment or site of care within the system. Care is provided in accordance with applicable licensure, laws, rules and regulations. Resources are allocated and organizational structures and policies are formulated to implement the plans.

2. Provide the following information regarding your hospital’s current charity care policy.

a. Provide definition of the term **charity care** for your hospital.

At a minimum, Uninsured Patients with income less than or equal to 250% of the Federal Poverty Level ("FPL"), which may be adjusted by the hospital for cost of living utilizing the local wage index compared to national wage index, will be eligible for 100% charity care write off of the charges for services that have been provided to them. At a minimum, Uninsured Patients with incomes above 250% of the FPL but not exceeding 400% of the FPL, subject to inflationary adjustments as described in Section 5(a) will receive a discount on the services provided to them based on a sliding scale.

b. What percentage of the federal poverty guidelines is financial eligibility based upon? Check one.

5

- 1. 100%
- 2. <133%
- 3. <150%
