COVID-19: What to Do

Stay 6 feet away from all people not in your household.

Wash hands often for 20 seconds and encourage others to do the same.

When soap and water aren’t available, use hand sanitizer with at least 60% alcohol.

Please wear a face covering. Cover coughs and sneezes with a disposable tissue.

Avoid touching your eyes, nose, and mouth with unwashed hands.

Disinfect surfaces, buttons, handles, knobs and other places touched often.

Stay away from people who are sick.
