(6) be affiliated with and operate under the supervision of a regionally accredited post-secondary educational institution, a health care institution accredited by an organization recognized by the department, or another entity approved by the department, [to sponsor an advanced training program in accordance with §157.32 of this title (relating to EMS Education Program and Course Approval);]

[(7) submit a letter of intent from qualified providers of clinical and field internship experience;]

(7) If the applicant is not affiliated with an entity as described in (e)(6) of this section the applicant must submit a self study as described in §157.32 of this title for advanced program approval and must be in compliance with established EMS education standards outlined in the Education and Training Manual.

(8) have successfully completed a department-sponsored course coordinator training course;

(9) after completing all the above requirements, pass the EMS coordinator exam and retest, if necessary, no later than one year after course completion date. The nonrefundable retest fee is $30, except a fee shall not be required if compensation is not received for coordinating training courses or programs. If requirements are not completed within one year after course completion date, the candidate must meet the requirements of subsection (e) of this section including the completion of another initial course to be certified; and

(10) candidates who hold current basic coordinator certification and are applying for advanced coordinator certification must complete all requirements of this subsection except paragraphs (d) [(e)](8) and (d) [(e)](9) of this subsection.

(e) [(f)] Period of Certification. After verification by the department of the information submitted by the candidate, the candidate who meets the requirements of the applicable subsection (c) [(d)] or (d) [(e)] of this section shall be certified as a course coordinator for two years commencing on the date of issuance of the certificate.

(f) [(g)] Course coordinator training. All course coordinator courses shall be conducted by the department or by the department in conjunction with a regionally accredited post-secondary educational institution approved by the department to sponsor a training program. [Criteria for admission to coordinator training shall be as follows:] The candidate for admission to course coordinator training will meet the requirements of subsection (c) or (d) of this section as appropriate to the level of certification desired. Candidates will be given seats based on the following priorities:

[(1) the candidate for admission to course coordinator training will meet the requirements of subsection (d) or (e) of this section as appropriate to the level of certification desired;]
(2) the candidate shall submit a resume and completed application to the appropriate department regional EMS office;

(3) the appropriate department regional EMS director will forward the application and attachments to the appropriate training facility with a recommendation regarding the candidate's admission status; and

(4) successful candidates will be given a seat in the class based on availability and admissions requirements.

(1) individuals recognized by the department as an emergency coordinator;

(2) need for training in an area where a certified course coordinator is not available within a reasonable distance and training is unavailable;

(3) the probable adverse consequences to prehospital emergency care; and

(4) availability and admissions requirements.

(g) Responsibilities. Course coordinator shall have the following responsibilities:

(1) plan for and evaluate the overall operation of assigned courses;

(2) provide supervision and oversight for assigned courses;

(3) act as liaison between the students, personnel instructing in assigned courses, the program, and the department;

(4) coordinate submission of course approval documents and fees, if applicable, for assigned courses to the department as defined in the Education and Training Manual;

(5) assure availability of classrooms and other facilities necessary to provide for the instruction and convenience of students enrolled in assigned courses;

(6) in cooperation with the training program, process student applications, verify prerequisites, and select students;

(7) schedule classes and assign program instructors;

(8) assure that training equipment and supplies are available and operational for each laboratory session;

(9) maintain effective relationships with clinical and field internships facilities necessary to meeting the instructional objectives of assigned courses;

(18) adhere to the curriculum standards as referenced in 157.32; and

(19) adhere to the standards outlined in the department’s EMS Education and Training Manual.

(20) notify the department and begin conducting investigations within 5 days of receiving any information, verbal or written complaint, or allegation of misconduct regarding any personnel instructing in a course.

(21) submit a written investigation report to the department within 30 days after receiving information, verbal or written complaint, or allegation of misconduct regarding any personnel instructing in a course. Upon reasonable request an extension of the deadline to submit the investigation report may be granted by the department.

(h) [(i)] Emergency Coordinator [Exception]. A program may request the department to [grant an exception to] allow a person not currently certified as a course coordinator to temporarily perform the duties listed in subsection (g) [(h)] of this section.

(1) Such request must be submitted in writing and must include the following:

(A) documentation of the urgency of the situation;

(B) a letter from the program endorsing the individual who is to temporarily perform the duties of course coordinator; and
[(C) letters of intent from qualified providers of clinical and field internship experiences appropriate to the level of training to be offered; and]
(C) letter of support from the medical director of the program.

[(D) a letter of intent from a medical director.]

(2) In determining whether the request [for an exception] is to be approved or denied, the department shall consider but not be limited to the following issues:

(A) resignation of a previous course coordinator or the inability of a course coordinator to complete a current training course;

(B) need for training in an area where a certified course coordinator is not available within a reasonable distance and training is unavailable; [through no outreach or distance learning technology.] and

(C) the probable adverse consequences to prehospital emergency care: if the request [exception] is not approved.

(3) After evaluation by the department, the program shall be notified, in writing, of the approval or denial of the request.

(4) An individual who is approved shall be considered an emergency [temporary] course coordinator for not more than two years. If all requirements for course coordinator certification are not met in the two-year period, the approved training program with which the coordinator is affiliated must demonstrate a continuing need. [for the exception.] If the department does not issue a continuance, [continue the exception, temporary status shall cease and] the individual may no longer function as an emergency [temporary] course coordinator.

(i) [ej] Recertification.

(1) Prior to the expiration of a course coordinator certificate, the department shall send a notice of expiration to the certificant at the address shown in the current records of the department. It is the responsibility of course coordinators to notify the department within 30 days of any change of address.

(2) If a certificant has not received notice of expiration from the department 30 days prior to the expiration, it is the duty of the certificant to notify the department and request an application for recertification. [Failure to apply for recertification shall result in expiration of the certificate.]

(3) To be eligible for recertification, the course coordinator shall meet recertification requirements during the latest coordinator certification period and:
(A) maintain active EMS certification as required in subsection (a)(2) of this section;
(B) attend *departmental [regional]* updates for course coordinator as required by the department;

{(C) maintain association with:

(i) an approved basic or advanced program if recertifying as a basic coordinator;

(ii) an approved advanced program if recertifying as an advanced coordinator;

(D) maintain affiliation with entities which provide clinical and field internship experience;}

(C) [(E)] submit an application for recertification and a nonrefundable fee as in subsection (c) [(d)] or (d) [(e)] of this section;

(4) After verification by the department of the information submitted the course coordinator who meets the requirements of subsection (c) [(d)] or (d) [(e)] of this section shall be recertified for two years commencing on the date following the expiration of the last certificate.

(j) [(k)] Late recertification.

(1) An application for recertification shall be considered late if the application and nonrefundable fee are received after the most recent certificate has expired and if all requirements for recertification are not met prior to the expiration [end] of the most recent certification period.

(2) A course coordinator who has not recertified prior to the expiration [end] of his most recent certification period is not certified and may not perform the duties of a course coordinator.

(k) [(l)] To be eligible for recertification, the candidate shall meet the following:

(1) A candidate whose certificate has been expired for 90 days or less may renew the certificate by submitting an application and paying a nonrefundable renewal fee that is equal to 1-1/2 times the normally required application renewal fee for that level as listed in subsection (c) [(d)] or (d) [(e)] of this section.

(2) A candidate whose certificate has been expired for more than 90 days but less than one year may renew the certificate by submitting an application and paying a nonrefundable...
renewal fee that is equal to two times the normally required application renewal fee as listed in subsection (c) [(d)] or (d) [(e)] of this section.

(3) A candidate must complete all requirements for recertification no later than one year after the expiration of the most recent certificate.

(4) After verification by the department of the information submitted by the candidate, the candidate who meets the requirements of this subsection shall be recertified for two years commencing on the day of issuance of a certificate.

(5) A candidate whose certification is expired more than one year must meet the requirements of subsection (c) [(d)] or (d) [(e)] of this section including the completion of another initial course to be certified.

(l) [(m)] Disciplinary actions.

(1) Administrative penalty. The department may impose an administrative penalty on a course coordinator not to exceed $7,500 per day per violation of the Health and Safety Code or the rules adopted thereunder.

(2) Emergency suspension. The [bureau chief of the Bureau of Emergency Management (bureau)] department may issue an emergency order to suspend an course coordinator's certification if the [bureau chief] department, has reasonable cause to believe [the conduct] [continued activity by] of the [individual] certificant constitutes a threat to the public health and safety.

(A) An emergency suspension shall be effective immediately without a hearing or notice to the certificate holder. Notice shall be established on the date that a copy of the signed emergency suspension order is sent to the address shown in the current records of the department. Notice shall also be given to any sponsoring entity.

(B) If a written request for a hearing is received from the certificate holder within 15 days of the suspension, the department shall conduct a hearing not later than the 30th day after the date on which a hearing request is received to determine if the emergency suspension is to be continued, modified, or rescinded. The hearing and appeal from any disciplinary action related to the hearing shall be governed by the Administrative Procedure Act, Government Code, Chapter 2001.

(3) Suspension, or revocation or application denial. The department may suspend, or revoke or deny a certificate it has issued to an EMS coordinator. An application or certification may be suspended, or revoked or denied for, but not limited to the following reasons:
