Phone #: _____ Business Fax #: _____
Street Address: _____ City: _____
State: _____ Zip: _____ County: _____
- BILLING MAILING ADDRESS:** Same as business mailing address
Phone #: _____ Billing Fax #: _____
Street Address: _____ City: _____
State: _____ Zip: _____ County: _____
- FACILITY CONTACT:**
Name: _____ Title: _____
Phone #: _____ Extension #: _____
Email address: _____
- RADIATION SAFETY OFFICER (RSO):**
Name: _____ Title: _____
Phone #: _____ Extension #: _____
Email address: _____

Correspondence will be sent to this email.

SECTION 2: FACILITY POLICIES & PROCEDURES:

Refer to 25 TAC §289.230 for specific details

MOBILE SERVICE AUTHORIZATION:

Approval must be obtained prior to providing mobile mammography services. Operating outside of Texas is not allowed with Texas Certification.

Complete and submit required documentation requested below:

List the street address where the mobile van and records will be maintained for inspection.

 Street City State Zip

SUBMIT THE FOLLOWING:

- A sketch or description of the normal configuration of the interventional breast radiography unit's use including the operator's position and any ancillary personnel's location during exposures. If a mobile van is used with a fixed unit inside, furnish the floor plan indicating protective shielding and the operator's location.
- A current copy of the facility's Operating and Safety Procedures regarding radiological practices for protection of patients, operators, employees, and the general public.

SECTION 3: INTERVENTIONAL BREAST RADIOGRAPHY INFORMATION

Make copies of this page, if needed for additional units.

- Complete applicable sections and check all appropriate boxes.
- Include a copy of a current complete medical physicist's survey report for each interventional breast radiography unit.
 - Medical physicist surveys for new facilities or new interventional breast radiography unit(s) must be dated within 6 months of application.
 - Medical physicist surveys for renewals must be dated within 14 months of application.
 - If there are any failures and/or deficiencies on the report include copies of service/work invoices with the description of corrective actions.
- **This is for stand-alone units. Do not include units with breast biopsy attachments, unless unit is used only for interventional procedures.**

Location		Manufacturer	Model Name	Control Panel Serial #	Additional Services	
Onsite	Mobile Van				Biopsy	Needle Loc.

SECTION 5: SIGNATURES

This certification is to be signed by the Authorized Representative of the Applicant, an individual with the capacity and authority to legally bind the Applicant.

Certification must be made by the person completing the application.

I certify that all information submitted with this application is true and correct to the best of my knowledge.

Typed or printed name

Title

Signature

Date

Certification must be made by the Administrator, President, Chief Executive Officer, Owner or Partner of the facility.

I certify that all of the information provided herein is true, correct, and complete. I certify that the Applicant has read, understands, and will comply with applicable provisions of the Chapter 401 of the Texas Health and Safety Code, titled *Texas Radiation Control Act*, and with all applicable provisions or Title 25, Texas Administrative Code, Chapter 289, titled *Radiation Control*.
