

Figure 4. Race/Ethnicity of RN Graduates, 2015, Texas RN Workforce, 2015,¹ & Texas Population, 2015²

- There were greater percentages of RN graduates (9.4%) and RNs in the workforce (14.1%) who reported as other race than the proportion within the Texas population (6.4%).
- The RN student population continues to diversify. The proportion of RN graduates who were white/Caucasian has dropped while the percentage of students who were Hispanic/Latino increased from 24.7% in 2014 to 25.5% in 2015. The RN workforce should begin to reflect this increasing diversity in the coming years.
- Programs reported a total of 156 graduates who were international students (1.4% of all RN graduates).³
